#### REMARKS

Applicants wish to thank the Examiner for the courtesy extended to the undersigned attorney during a most useful interview which took place on March 8, 2001. In addition to the instant application, also discussed were co-pending Application Serial Nos. 09/454,881 and 09/635,541. During the interview, allowable subject matter was identified. Applicants, through their attorney, agreed to transfer all of the allowable subject matter to the instant application (Serial No. 09/469,902). Subject matter that was determined by the Examiner to be clearly patentably distinct will be transferred to one of the other co-pending applications (i.e. 09/454,881 or 09/635,541). The instant amendments are made to put the application in condition for allowance by limiting the claimed subject matter to that which was identified as allowable during the interview and which is indicated to be single restrictable category on the Interview Summary. As such, applicants respectfully request a notice of allowance in the instant application as amended herein.
